

# how we can help your business grow

## Large

You work for a large B2B company within the marketing department and are looking for a new design and print supplier

Your sales brochure needs a fresh design but must follow company brand style guides

You require some brochures designed and printed for a direct mailing campaign

## Medium

You work for a medium sized company and want to make a difference

You are having a sales push and need some brochures to be designed and printed

Sales are going well and your brochure needs updating along with a new design

## Small

You are starting your own business and are looking for a fresh new look

You need a new logo and printed stationery for your business

A website is vital for your business to grow, it must be eye catching and informative

Welcome to Aliant Brands - your one source for all things branded! We are one of the fastest growing and most forward-thinking companies in the design, print and branded promotional products industry. We work with all types of businesses and are up for any challenge that requires creativity and imagination!

Your promotional campaign requires some e-marketing to complement your brochures

The annual trade show is coming up and you need printed materials, signage and corporate apparel

Business is expanding, additional vehicles need branded graphics printed and fitted

Your website is in need of a complete overhaul, it must be responsive, have good SEO, and social media links

Your offices are expanding and you need additional signage and branded apparel

You purchase a van and need branded graphics printed and fitted

**We've got the right mix of creative & technical expertise to offer you a complete range of design, print & promotional services**

## what we do

We offer a wide range of design services across print & web, as well as promotional products, signage, exhibition stands and vehicle graphics. With over 25 years of experience behind us we are well placed to handle any specific requirements you wish to task us with.

Our aim is to transform invisible concepts into elevated branding, apparel, and promotional merchandise. All so you can foster deeper relationships with your consumers through community rather than commodity.

## BRANDING & DESIGN

Bridge the gap between your internal creative resources and outside agency relationships with a cross-functional team focused on elevating brand interaction at each and every touch-point. Our full-service branding and design agency offers a range of brand development services to help you establish a connection with your customers.

## WEBSITE DESIGN

Your website is usually the first opportunity you get to make an impact to your prospective clients so it should be well designed, easy to navigate and visually eye-catching. We offer ongoing site maintenance, updates, advice and guidance on social media and SEO (Search Engine Optimization) to ensure that your site reaches the people it needs to. We believe in quality design, simplifying problems with attention to detail to ensure we deliver engaging websites that are easy to navigate and fully responsive for todays website browsing.
